

## **Sandwich Summer Blast Baseball Tournament Spectator Conduct Policy**

While Sandwich Little League (SLL) reserves the right to act on inappropriate conduct as it sees fit, it is primarily the responsibility of the Head Coach of each team to promptly address any misconduct of their respective spectators. Failure to do so may result in sanctions being placed against their team.

At the discretion of the on-site SLL Tournament Director or SLL President, repeated and/or flagrant misconduct of any individual or group may result in ejection from the SLL complex, notification of law enforcement, game forfeiture or even team removal from further competition in the tournament.
